

New Executive Elected

Sunday, July 24, 2005

It is with regret that the Executive of Aylmer Community Theatre has accepted the resignation of President Sean Avram, who is stepping down due to time commitments with a burgeoning family and career. Happily, he will continue to be active as a member and we wish him good luck in his future endeavours. A meeting was held this date to select an interim President. The new ACT Executive is now as follows:

Artistic Director: Laura Jean McCann

President: Ron Sawyer

Treasurer: Barbara Warnock

Secretary: Colleen Sawyer
