

“When the Reaper Calls” Owen Sound Bound!

Sunday, February 19, 2006

After an encouraging adjudication by Karen Rickers on Feb. 4 and a highly successful run, ACT's production of “When the Reaper Calls” has been chosen to compete in the 2006 WODL Festival in Owen Sound on Friday, March 17. The Friday night slot is most desirable because of the likelihood of large audiences and the fact that the Awards Banquet is held on the following evening. It will perform opposite shows from Windsor, Chatham-Kent, Sarnia and Kincardine. See the lineup at <http://www.wodl.on.ca/Festival06.html>. Since the costs of remounting the show well after the normal run are substantial, and are not part of our regular season's budget, we are now seeking donations from our community partners to defray these costs. If you wish to help us financially with our Festival appearance, please contact us. Any help would be most appreciated.
